New in version 2.0:

Fredrick Brennan:
* Fixed spacing dieresis (¨), which was 0-width;
  * also spacing macron (¯), ditto
* Slightly tweaked width of `s`;
* Try to better balance `tildecomb` (ñõm̃).

Nikita Moor:
* Gave `m` a top mark anchor (m̄m̂ṁ);
* Drew a combining e above (mi);
* Drew an r-rotunda (ꝛ)
* Drew an alternate double oblique hyphen (⸗).
